PRIVATE FUNDRAISING SERVICES

IBC is the industry's most successful agency for blockchain-related private fundraising. With close relationships with many funds, venture capitalists, HNWI and family offices, trusted by thousands of investors, we can organize private meetings, dinners and roadshows around the world for prequalified projects. If

CRYPTO GROWTH HACKING

Want to get to the next level 🚀? We will scrape any database you can think of... a competitor group? A website or blog? We can do that in minutes and reach out to all prospects on multiple channels. ALL AUTOMATED!

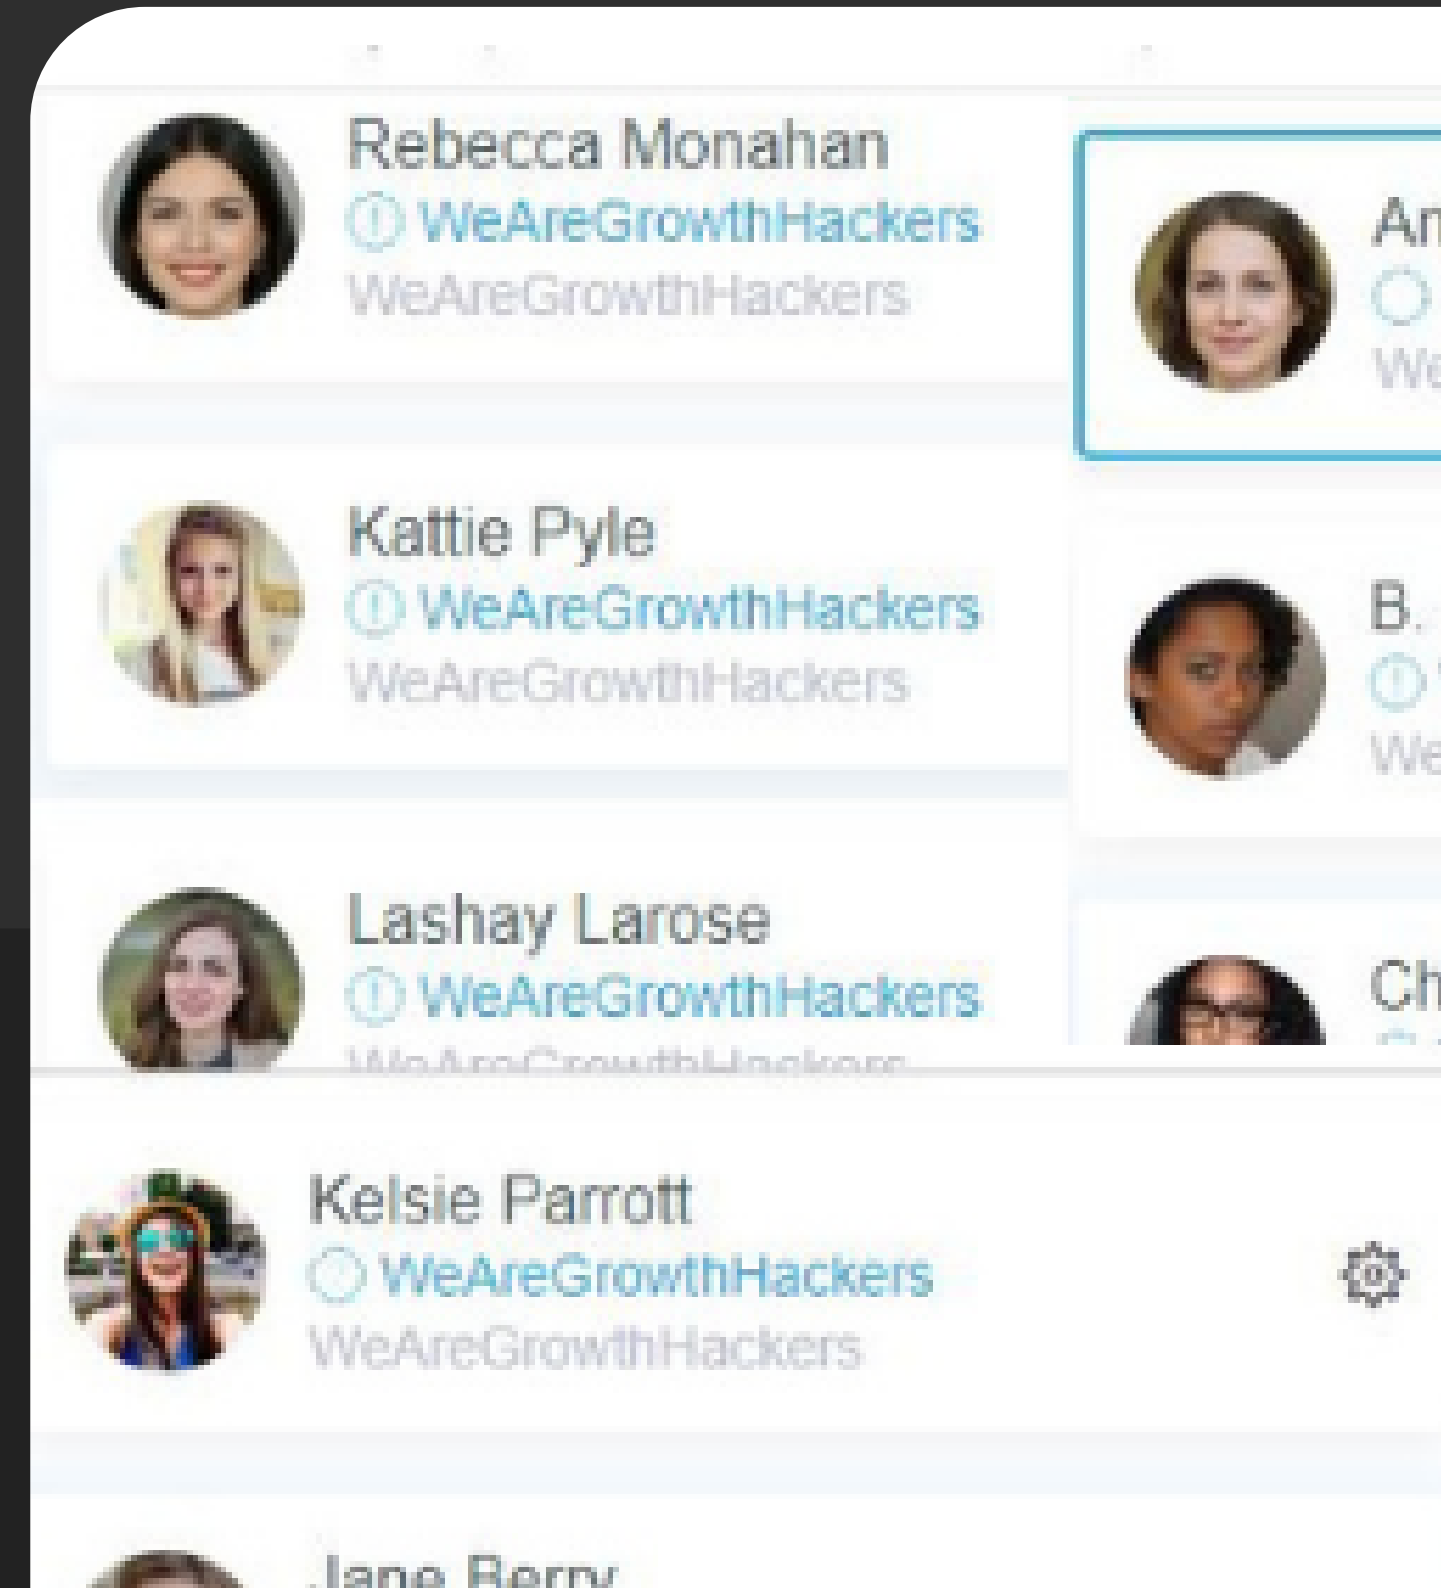

FULL SERVICE ILO/IEO/STO SOLUTION

We provide comprehensive ILO/IEO/STO support including technical expertise, forward-thinking marketing plans, and access to our trusted network of experienced legal counsel, moving clients from idea to a successful ILO/IEO/STO and into the future.

Set up of multiple accounts.

We add in our own or your personal accounts onto our software to do the outreach. (Based on personal preference)

Copywriting Outreach Drafts For you Business

We're sure you've seen/received a lot of spammy LinkedIn messages from automated Bots. Well 'this' is different because we have in house copy writers that come up with a very 'human' copy and by the use of data enrichment we are able to make the outreach as human as possible with fully customized replies.

Full control over messages sent.

Laser Targeting

We use Sales Nav Targeting.

We are able to use sales navigator profile search targeting even if you don't have sales nav on your account. that enables us to calculate the total number of 'potential leads' available and hyper target your exact market. For IBC we estimated 61k+ potential leads.

No. of messages **per day,**
Per account.

06

Tabitha Howland

Crypto exp.

We can send up to a 100 messages per day from each account.

Allyana Orata

Blockchain exp.

We optimize the profiles for your business.

Juliet Ross-Kilner

DeFi exp.

Or you have the option to use your own profiles too.
